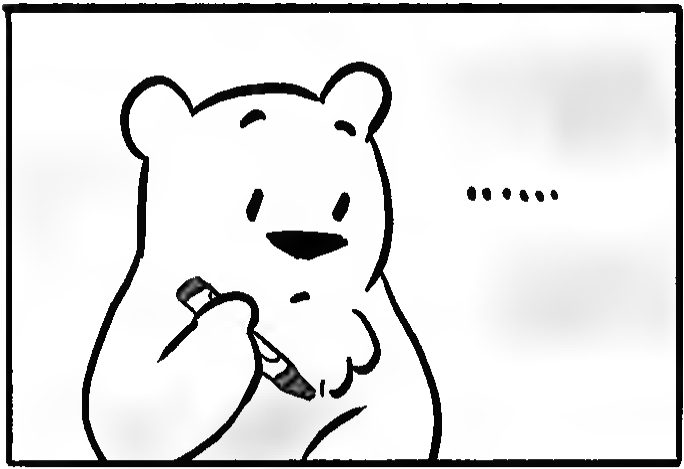
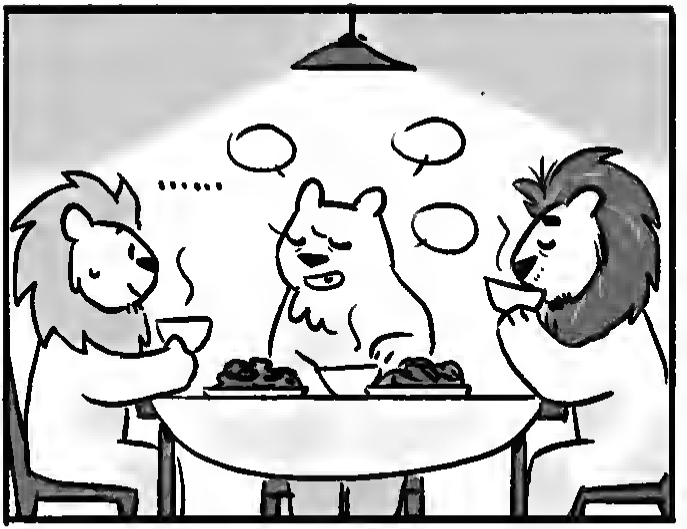
What should I write?
Anything, my dear. Just write whatever that you want to tell or ask him.

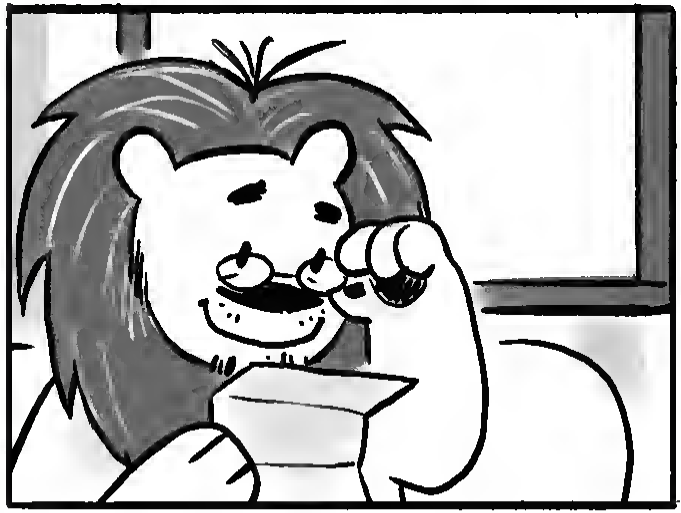


.....



Sometimes, he looks like a stranger to me.

It feels awkward to start talking,
even if I wanted to...



But as I grew up, we got busier and
slowly forgot about the letters,
seeing each other much less often.

(My sister went to study abroad.)

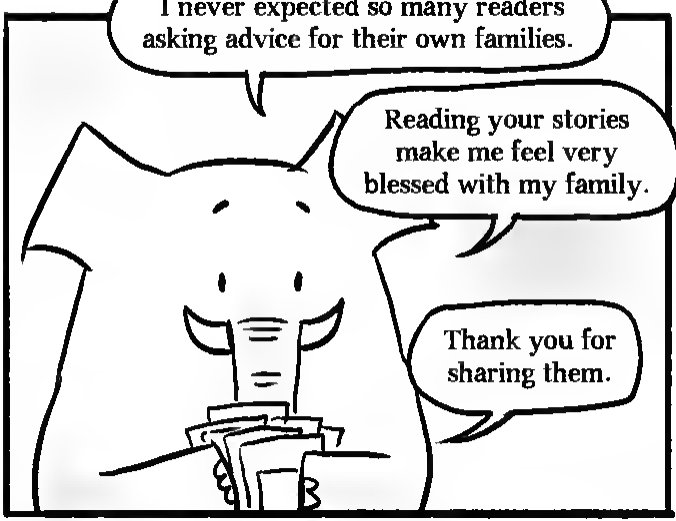
Dear Mr. Elephunk, sometimes I felt lonely when my mom and dad left me for
their business. I tried to talk to them several times, but they seems to didn't

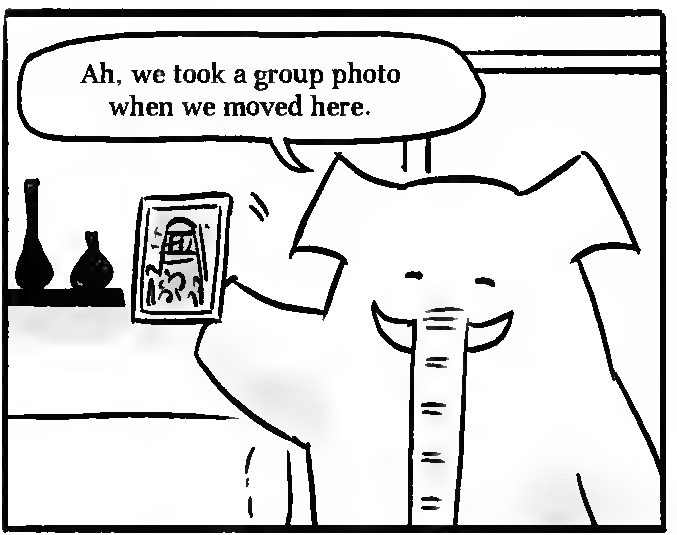


I never expected so many readers asking advice for their own families.
Reading your stories make me feel very blessed with my family.
Thank you for sharing them.

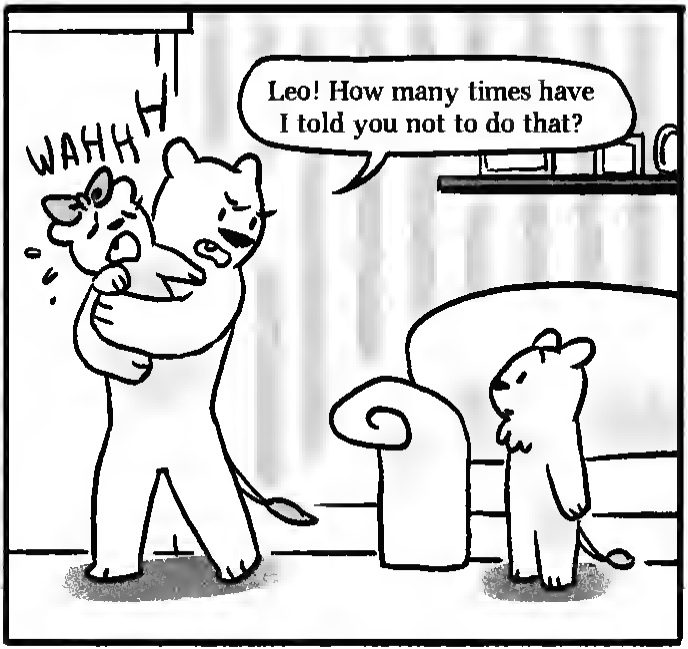
You are my hero!!
Too embrassing to say that out loud...

Kelly

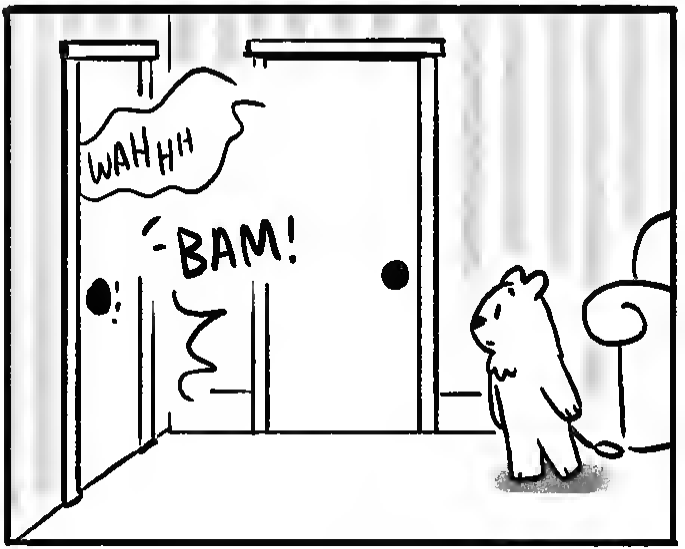
Dear mr.elephunk, i had a favor, could you take the photo of the roar street journal family at the end of the next episode? P.s tiger with smile face! :3



As I returned to my apartment that night,
I started to write a letter.

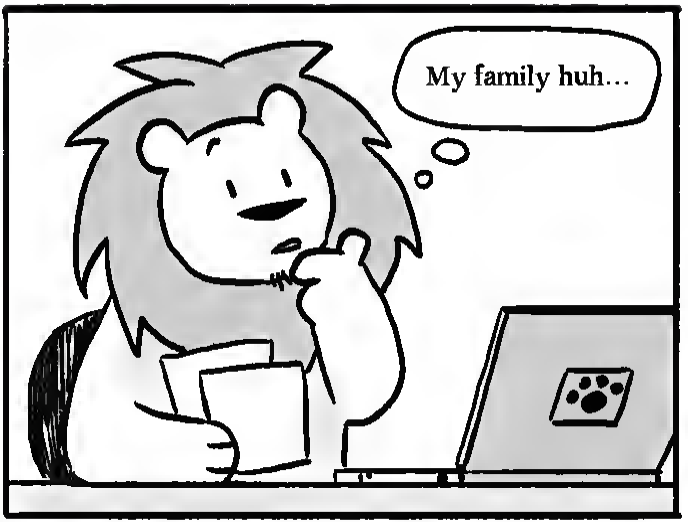


WAHHH
Leo! How many times have I told you not to do that?



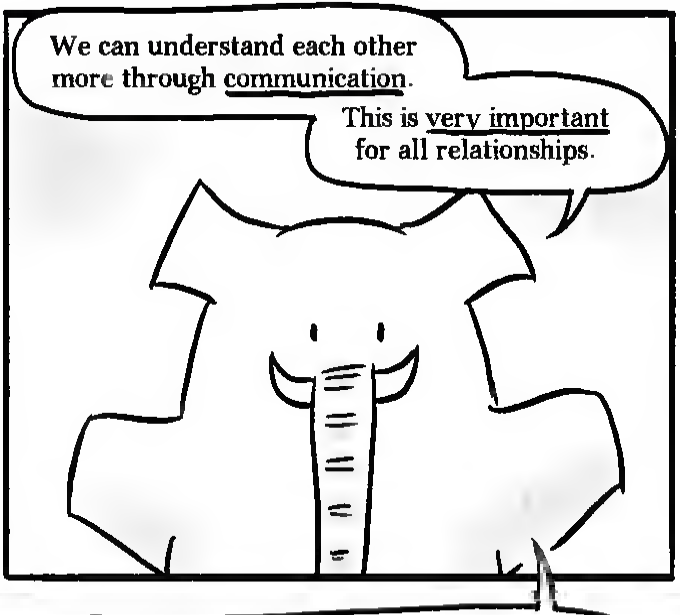
WAHHH
BAM!

I was afraid to talk to my mum,
so I wrote notes and pushed them under the door.



Well, I can talk about my dad first.

My dad is an engineer who
worked abroad for many years.



Just like Leo, you can take the first step by writing a letter to tell the person how you feel.

Some things may be easier to express through words rather than talking face-to-face.

I spend most of my time with my mum,
and I always made her mad.

I'm Sorry

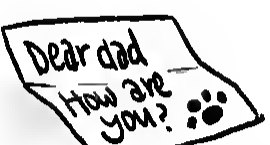
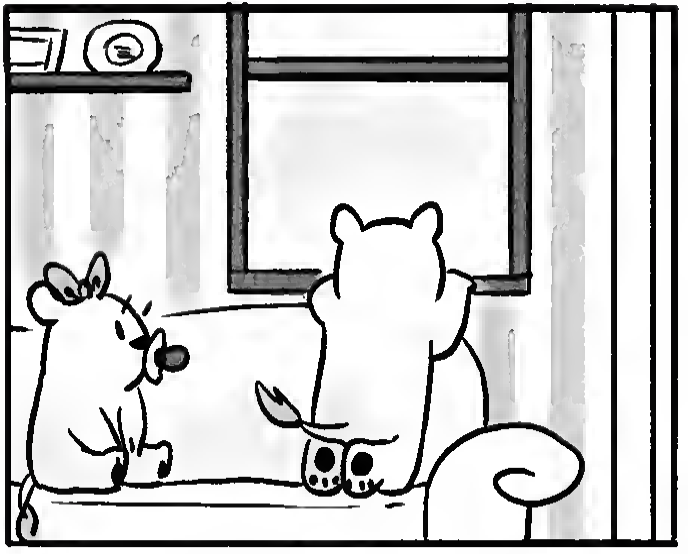
Letters by Leo



We had a good life, and mum said that dad worked very hard to support our family.



Dear daddy.

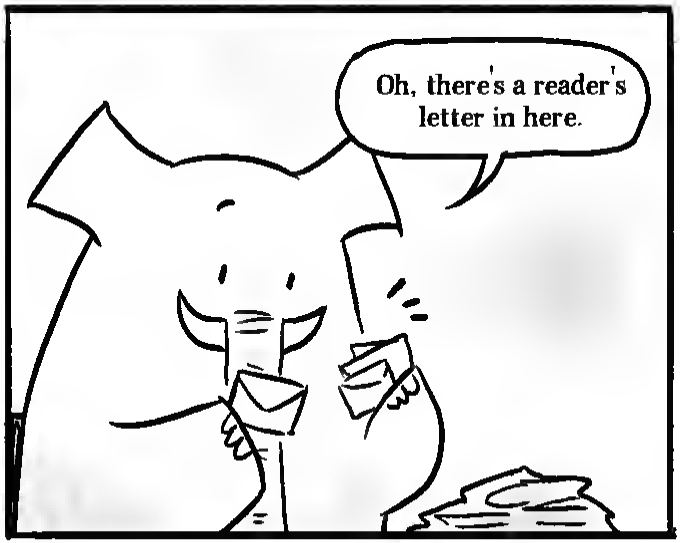
How Are You?

What work you do?

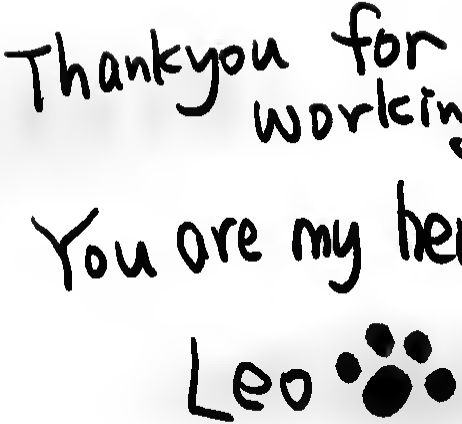
WHat is your ~~fawit~~ favorite ~~food~~?

We miss you.

I often write letters to my family too.
I'm about to mail these off --



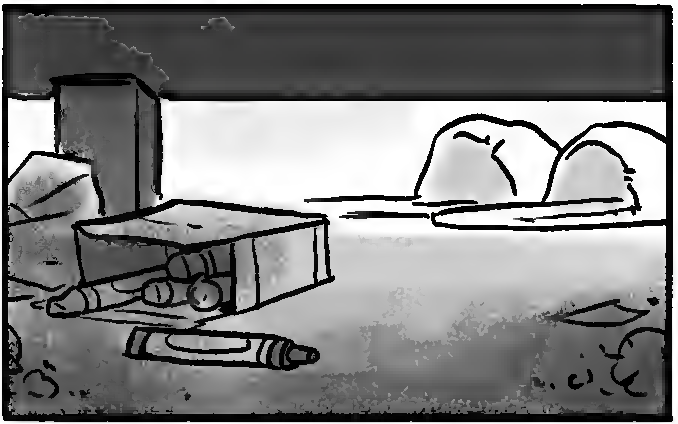
Oh, there's a reader's letter in here.



Dad's face always lit up when he read my letters.

Recently, my dad decided to retire and return home.

Everyone is happy, but it also feels uneasy because we haven't seen each other for so long.



Mum, I'm not coming back for dinner tonight!

Hey dad,
I've always wa

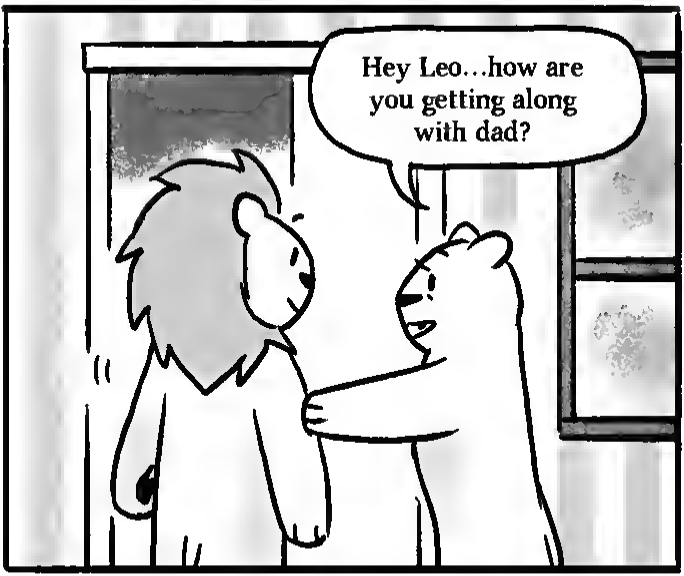
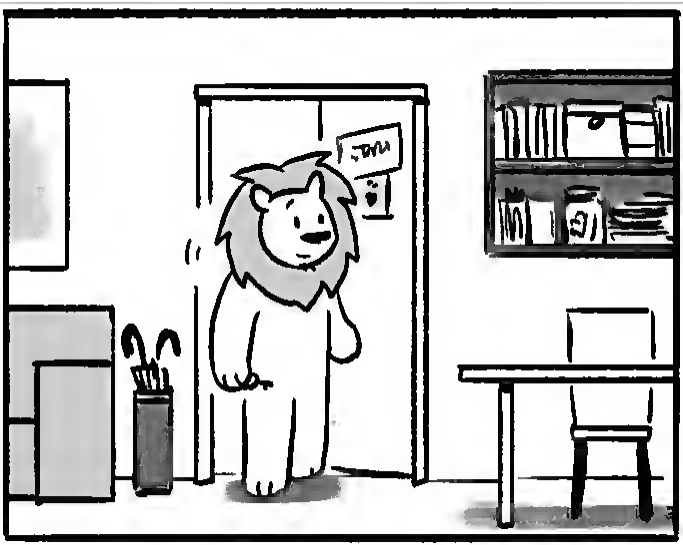
mailbox



Hey Leo...how are you getting along with dad?



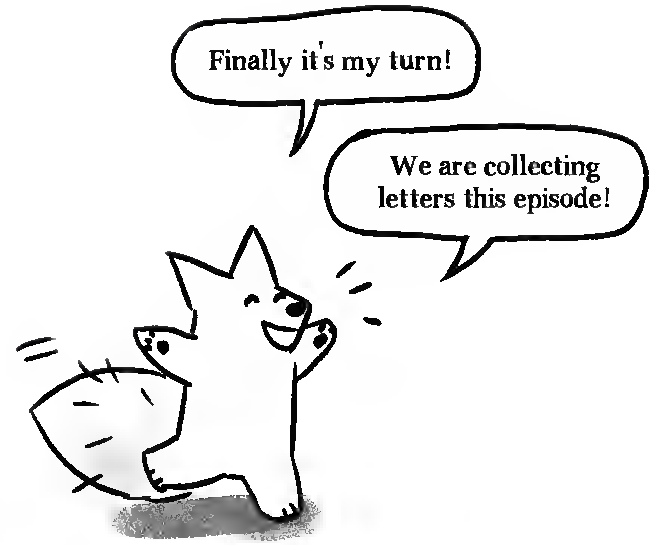
ROAR STRET JOURNAL

Leo, these letters are for you.
...Yeah?

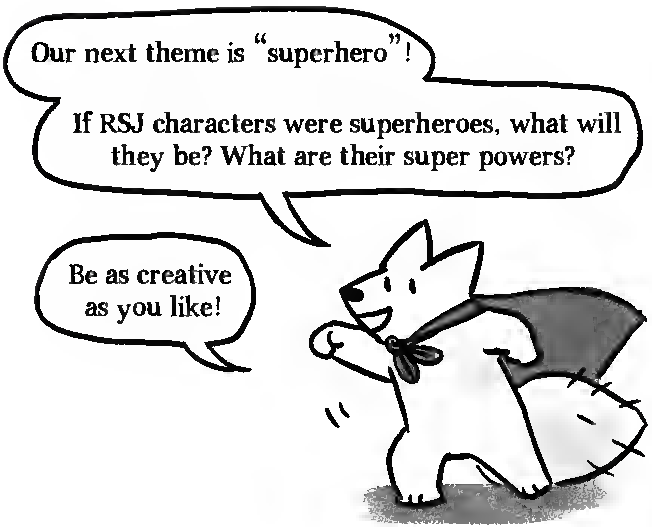
We are getting to know each other all over again.

I admired my dad a lot,
but I felt very distant from him.

So mum told me to write a letter to dad
every time he come home,
so that he can keep it when he leaves again.



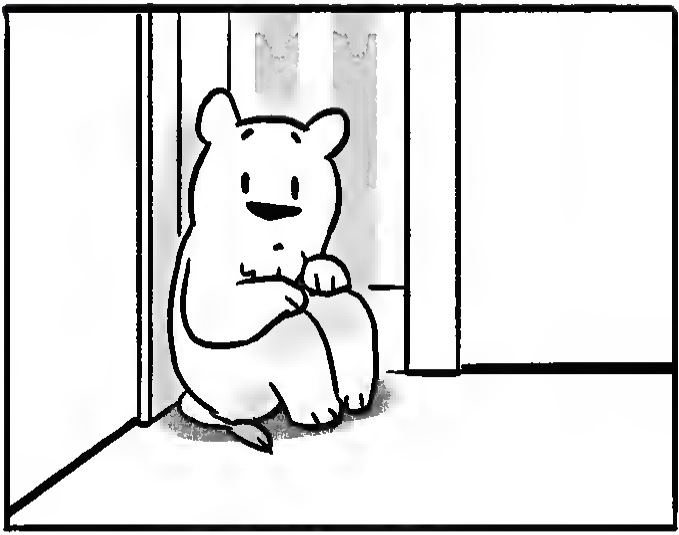
Finally it's my turn!
We are collecting letters this episode!



Our next theme is "superhero"!
If RSJ characters were superheroes, what will they be? What are their super powers?
Be as creative as you like!

...Mummy, where is daddy?

Leo my dear, daddy is working in another country.
He's our hero!



Then, mum would smile at my ugly writing
and hug me again.

Kania S.

Dear Mr. Elephunk, i was wondering what kind of family each RSJ member have? Like how is Leo's father looks like? Does he looks like Mufasa from The Lion King? (Or maybe he's actually a jungle king)

Susan

Dear Mr Elephant, i wanna know more about Leo's family. Can you explain more? Thanks

Rindi Any
